World of Ninjago

Welcome to Ninjago!

Five brave Ninja protect
this magical land.

Their names are Cole, Jay,
Kai, Zane, and Lloyd.

They are masters of a
martial art called Spinjitzu.
The Ninja possess powers
of the four Elements of Ninjago.
These are Earth, Lightning,
Fire, and Ice.

Ninja, No More

The Ninja are sad.

Zane went missing after
a battle with an enemy.

Where could Zane be?
The Ninja do not feel
like a team without him,
so they split up.

Kai

This red Ninja is
the Master of Fire.

He has a hot temper!

Now that the Ninja team
has split up, Kai works
as a show fighter.

He thrills the audience
with his acrobatic moves.

Jay

Skillful Jay is the
Master of Lightning.

This blue Ninja is super
fast and adventurous.

Now that the Ninja team
has split up, Jay works
as a game show host.

His jokes make the
audience laugh!

Cole

This black Ninja is
the Master of Earth.

He is very strong and calm.

Now that the Ninja team
has split up, Cole works
as a lumberjack.

Chopping down trees
keeps him busy.

Lloyd Garmadon

This green Ninja is the
Master of all Elements.

He is upset that the
team split up.

He does not want to
get another job.

Lloyd still wants to be
a Ninja more than anything!

Zane

Zane is the Ninja of Ice.

He is a quiet and serious robot.

The other Ninja think that

Zane has been destroyed,

but he has rebuilt himself.

Where has he gone?

Will he ever see

his friends again?

NINJAGO TIMES

Volume 12

SENSEI GARMADON WRITES BOOK

Sensei Garmadon has written a book about his exciting life. We asked him to tell us more!

Can you tell us more about your transformation from bad to good?

I was a wicked dark lord. I told lies and even plotted to take over Ninjago! Now instead of fighting the Ninja, I spend my time training them.

REMEMBERING ZANE: New statue for much missed Ninja built in town center.

MYSTERIOUS POSTERS: Master Chen's followers put up posters in Ninjago. A special report.

Why did you change?

My son, Lloyd, and my brother, Wu, changed me with their goodness. I owe them my life.

Do you have a message for our readers?

I hope my story inspires other villains to give up their life of crime and live in harmony. Peace out!

IN ALL GOOD BOOKSHOPS!

MY JOURNEY FROM EVIL TO GOOD

Master Chen

This villain is Master Chen.

He wants to turn people into
snakes called Anacondrai!

To do this, he must steal
the powers of the Ninja.

So he invites them to a
contest on his island.

Master Chen
presents:

THE TOURNAMENT OF ELEMENTS!

Are you the most powerful
warrior in Ninjabo?

Come to Master Chen's
island to prove it!

BE THERE

(Bring this flyer for one free bowl of noodles)

Nya

Nya is Kai's younger sister.

She is very clever.

Nya thinks that the
tournament is a trap!

She follows the Ninja
to Master Chen's island.

She hopes she will find
Zane there, too.

TOURNAMENT ARENA

Welcome to Master Chen's tournament arena. The Ninja find that it is full of surprise obstacles. Enter at your own risk!

Swerve to sidestep the falling swords.

Dodge spinning blades!

Don't fall down the trapdoor leading to the fire prison!

SPINJITZU

Spinjitzu is an ancient form of martial art. A Master of Spinjitzu can spin so fast that he turns into a powerful tornado of energy.

Dash past
poison dart
missiles.

Watch out for
this dangerous
deck of daggers!

Skylor

Skylor is Chen's daughter.

She can steal the power
of any Ninja she touches.

Chen wants her to steal
the powers of the Ninja.

But when she meets Kai,
she wants to be friends
with them instead!

Clouse

Evil Clouse has a Book of Magic.
He uses a magic spell to help
Chen turn people into snakes.
It even works on Garmadon!

Pythor

Pythor has always been a snake. Master Chen needs his help to make Clouse's magic spell last forever.

CHEN'S EVIL PLAN

Master Chen's follower, Eyezor, is devoted but dim. He is still confused about Chen's plan to defeat the Ninja and conquer Ninjago.

Anacondrai Army

Master Chen is now the leader of a huge Anacondrai army!

He thinks nothing can stop his plan to take over Ninjago.

But Sensei Garmadon still has a good heart, even as a snake!

He uses a spell from the Book of Magic to send Chen and the Anacondrai far away.

Ninja Reunion

The Anacondrai are beaten!
Master Chen is gone for good.
But what really makes the Ninja
happy is seeing Zane again!

He was a prisoner on Chen's island, but now he is free.
All five Ninja are back together.
Where will their adventures take them next?

Guide for Parents

This book is part of an exciting four-level reading series for children, developing the habit of reading widely for both pleasure and information. These chapter books have a compelling main narrative to suit your child's reading ability. Each book is designed to develop your child's reading skills, fluency, grammar awareness, and comprehension in order to build confidence and engagement when reading.

Ready for a *Level 2* book

YOUR CHILD SHOULD

- be familiar with using beginning letter sounds and context clues to figure out unfamiliar words.
- be aware of the need for a slight pause at commas and a longer one at periods.
- alter his/her expression for questions and exclamations.

A VALUABLE AND SHARED READING EXPERIENCE

For many children, reading requires much effort, but adult participation can make this both fun and easier. So here are a few tips on how to use this book with your child.

TIP 1 Check out the contents together before your child begins:

- read the text about the book on the back cover.
- flip through the book and stop to chat about the contents page together to heighten your child's interest and expectation.
- make use of unfamiliar or difficult words on the page in a brief discussion.
- chat about the nonfiction reading features used in the book, such as headings, captions, lists, or charts.

TIP 2 Support your child as he/she reads the story pages:

- give the book to your child to read and turn the pages.
- where necessary, encourage your child to break a word into syllables, sound out each one, and then flow the syllables together. Ask him/her to reread the sentence to check the meaning.
- when there's a question mark or an exclamation mark, encourage your child to vary his/her voice as he/she reads the sentence. Demonstrate how to do this if it is helpful.

TIP 3 Chat at the end of each page:

- ask questions about the text and the meaning of the words used. These help to develop comprehension skills and awareness of the language used.

A FEW ADDITIONAL TIPS

- Always encourage your child to try reading difficult words by themselves. Praise any self-corrections, for example, "I like the way you sounded out that word and then changed the way you said it, to make sense."
- Try to read together everyday. Reading little and often is best. These books are divided into manageable chapters for one reading session. However, after 10 minutes, only keep going if your child wants to read on.
- Read other books of different types to your child just for enjoyment and information.
